CLUB INFORMATION

Tuffley Rovers AFC were formed as a football club in 1929, initially offering only one team, playing Saturday men's' football. In the 94 years since that time we have grown considerably, so that we are now one of the biggest clubs in Gloucestershire, with:

- Five adult male Saturday teams
- One male Veterans' team
- An U18 squad
- & a Ladies' football team

The club has links to a youth section (Tuffley Rovers Youth Football Club), who are one of the largest youth clubs in Gloucestershire.

Our highest ranked team play in the ninth tier of English football – the UHlsport Hellenic League, Premier Division – which allows us to compete in The Emirates FA Cup and The Isuzu FA Vase each season, two national competitions that offer the opportunity to make it all the way to Wembley Stadium!

Our Ladies team also compete in the Vitality Women's FA Cup.

CLUB INFORMATION

Eighteen years ago, the club had been operating with just one team, in the thirteenth tier of English football, but our first team will start 2023/24 in the ninth tier, our ninth consecutive season at that level, with our home (Glevum Park) transformed over the last few seasons.

Crowds of spectators have increased incrementally, so that we have averaged over 100 spectators at our first team games over the past four seasons.

We are committed to providing players, coaches, spectators, visiting clubs and officials, or anyone visiting Glevum Park a warm welcome, meaning we have won the UHlsport Hellenic League's 'Most Hospitable Club' twice in three years.

With eight adult teams we are amongst the largest clubs in Gloucestershire and proud to be an FA Accredited Club.

Many of our sponsorship packages include season tickets* for the companies or individuals who back us and we'd love to see you as part of the growing Tuffley Rovers fanbase.

*excludes player sponsorship, unless multiple players are sponsored by a single company

KIT SPONSORSHIP

If you choose to sponsor one of our eight teams, your company logo will be displayed on the playing shirts of our teams at all home and away games. We offer one and two season deals – reaching out to thousands of spectators, players and officials, across several counties.

Our club photographer provides us with thousands of images for use on our social media accounts (with Twitter, Facebook and Instagram pages supported by thousands of followers) and to the local press, offering opportunities to show off our sponsors' logos on the famous Claret & Blue strip over and over again.

If you choose to support us, we will proudly show off your logo as we look for success on the field of play.

We also offer alternative sponsorship packages that can see your logo displayed on our off-field kit, such as tracksuits, coats and bags.

KIT SPONSORSHIP

Whichever team merchandise you choose to sponsor, we can ensure that your logo takes pride of place on club equipment, which is worn by our squads who compete throughout Gloucestershire, in a range of competitions, whilst our first team will travel across the country, both in league and cup competitions, with regular trips to South Gloucestershire, Herefordshire, Worcestershire and further afield.

Our club photographer is usually on-hand to capture images from games involving our teams and these are regularly published at a dedicated site, via our website, on club promotional material, across our social media platforms and in the local media.

If you join our fabulous group of kit sponsors, you'll also receive your own merchandise, too, either as a shirt to wear to games or a framed copy that can be displayed in your offices or other premises.

All kit sponsors will also have access to advertising in our first team match-day programme and on the club website.

PITCH-SIDE ADVERTISING

We can offer pitch side advertising boards around the Glevum Park pitch, which hosts over 60 games per season, including games for our first team, Development Squad and U18s team, as well as representative matches and Cup Finals.

In addition, our annual six-a-side tournament has seen approximately 100 teams, from U7s up to adult age sides, competing on our main pitch, which guarantees exposure for the companies who advertise at Glevum Park.

Buy a 6x3 advertising board and it will take pride of place on the pitch-side fencing system during the 2023/24 season!

We offer a variety of options around pitch-side advertising, all designed to promote your support for the club. Why not 'sign up' today!

MATCH-DAY ADVERTISING

We can offer several opportunities for you to support the club and advertise your brand, via match-day sponsorship and match-day hospitality at first team fixtures, including:

Match sponsors, who will receive complimentary entry to sponsored fixtures, as well as acknowledgement in the run-up to the selected fixture—via social media—as well as the company logo appearing across the match-day programme and on match-day team sheets. We will also invite you to be VIP guests at a home fixture.

Ball sponsors will receive an acknowledgment in the match-day programme and match-day team sheets, as well as on our social media coverage of the game.
