WELCOME TO **GLEVUM PARK** #UPTHEROVERS

TUFFLEY

FROM THE **CHAIRMAN**

Welcome, all, to our second six-a-side tournament. As I've said before, my hope is that this event becomes a fixed part of the Tuffley Rovers calendar for years to come, offering an opportunity for young players to play at our Glevum Park home but also to advertise our club to those from further afield.

We've come a long way in thirteen years, since a club low of withdrawing our first team from Step Five football (for those unfamiliar with the terminology 'Step 5' is the ninth level of competitive football in the English FA's pyramid system (from the Premier League down) and the fifth level in non-league football. The first team regained their place at that level and have been back there for four years, and we've gone from having one team to regularly fielding five adult Saturday sides, as well as a Veterans' team.

In that time we've seen a local youth club, Windsor Drive - with whom we already had close links – change their name to Tuffley Rovers and that offered the opportunity to expand the club's brand, as well as creating a clear pathway for a youngster to join the club at age 6 or 7, then play until they decide to give up the Veterans' version of our beautiful game.

I'm hoping the weather is as good for this second event as it was for our first last year and it proves as successful. Despite it being a huge effort for all involved in organising the competition, we ended the 2018 version with smiles on our face (as well as a little sunburn!) and an appetite to go again this weekend. Here is hoping each and every person reading this leaves Glevum Park with a smile on their face. You're welcome to visit again in the future, whether that is our next tournament or one of our Hellenic League Premier Division games.

In closing, I'd like to thank everyone involved in the organisation of the tournament, but particularly Darren Liddington, who works tirelessly to make it a success. If you see him and you're having a good time, make sure you tell him and I guarantee he'll be pleased to hear it.

Now, play some football; cheer on all the teams; show each other kindness and respect. Enjoy this weekend.

Neil Spiller. #UPTHEROVERS

TheFA Charter Standard Development Club.

FROM THE **Youth chairman**

So what has changed in the last 12months... Since our last tournament the Youth Club as gained a new chairman in myself Jamie Hyett , I've taken over the reigns from Roy "Coke" Craddock who stepped down after numerous years of service to the club.

As well as being the club's chairman I am also team manager to the U18's and the U15's with the U18 team making the step up this year into the Midland Midweek Floodlit League which is a considerable step up for the players. The team have held their own in their first season with some excellent performances. With this success there has also been further integration between the Youth and Senior sections with 70% of the U18 team being dual signed and playing on a regular basis for the 5 Adult teams at the club and with new developments to be announced the future is bright for the U18's at Tuffley Rovers.

Another notable change is the return of Luke Rodgers as Club Secretary and Coach. Luke is a very experienced coach who has helped the U12's age group continue to thrive with the club having two teams playing both Saturdays and Sundays in the Severn Valley and Cheltenham Leagues. We are all glad to see Luke back!

There have also been other additions to the club with Gemma Paine taking over the reins of the newly formed U10 whites. Gemma has completed her FA Level 1 Qualification this season and is already planning to complete her Level 2 next season. This is a big step forward for the club and Gemma hopes to take lead on promoting the inclusion of more and more female players into the game at a youth level for our club.

Darren Liddington our Chartered Standard Officer has worked tirelessly toward obtaining Chartered Standard Status but Darren being Darren wasn't just satisfied with simply gaining it. He went for, and achieved, the Development Standard, which is a credit to every one of our volunteer's hard work and commitment. As part of this Darren, Dave Cornock and I have all completed the FA Level 2 Qualification this season, taking the number of Level 2 coaches within the club to four along with Michael "Spike" Devlin and as a Club we will continue to encourage and invest in this development of our coaches next season.

All in all it has been a successful 12 months on and off the pitch and with exciting things to come in the next 12 months its an exciting time to be a Rover!

2018/19 Competition Rules **OVERVIEW**

A full copy of the Tournament Rules are available at the Control/Registration Tent and Have been sent out to all coaches within the Welcome Pack PDF.

- No player may play for more than one team or in more than one age group during the 2019 competition.
- The decision of the referee is final in respect of all matters arising on the field of play during each fixture.
- The first named team in each fixture will be responsible for providing the match ball(s).
 For the semi-final and final match balls will be provided by the competition organising committee.
- In the event of a clash of shirt colours, the second named team in each fixture will be required to change or wear suitably coloured bibs.
- Teams must be ready to kick-off at the appointed time and should make all reasonable efforts to arrive by halftime in the preceding game. If a team is more than three minutes late, the referee may decide to award the game to their opposition.
- All players are required to wear shin guards. No jewellery is permitted to be worn.
- The duration of each game will be 10minutes straight through (no half time!)
- Normal small side rules will apply: i. There will be no offside; ii. The normal back-pass rule applies; iii. No opposing player is allowed within 3 yards of any free-kick, corner or centre kick; iv. Players cannot score direct from a kick-off; v. The six second rule for goalkeepers does not apply, although this will be at the referee's discretion; vi. All free-kicks are direct, except for a back-pass which is handled by the goalkeeper, when an indirect free-kick will be awarded from the position where the pass took place; vii. Goalkeepers cannot kick the ball out of their hands or drop kick the ball. The ball must either be thrown or

kicked from the floor; viii. There will be no height restriction for the ball; ix. When the ball goes out of play, it will be returned to play using a throw-in; x. Goal kicks will be taken from the edge of the penalty area and opposition players for age group U8-U10's should retreat to their own half until the kick is taken.

TOURNAMENT MANAGEMENT COMMITTEE & DISPUTE RESOLUTION

- The tournament management committee shall have the power to apply, act upon and enforce the rules of the competition and shall have jurisdiction over all matters affecting the competition, including any not provided for by the rules.
- Any issues arising that are not covered by the rules above can be referred to the tournament management committee, whose decision will be final on all matters.

AWARDS

- Overall tournament winners and runners-up will receive trophies.
- The referee has the right to ask the team manager to substitute any player who they feel is guilty of misconduct or foul play, with the player only returning to the game at the discretion of the referee. Any player receiving a yellow card may continue to participate in the game but will be suspended for his/her team's next game. A player receiving a second yellow card or a straight red card in the same game will be disqualified from participating in the remainder of the competition. Players shown a second yellow card or a straight red cannot be replaced (i.e. by a substitute player) during the game in which the card is issued.

2018/19 Competition FORMAT

- Throughout the two days at the Tuffley Rovers Tournament there will be no more than two age groups playing during any period.
- Each age group will consist of a maximum of 12 teams which are divided into 3 groups of 4 teams. Each team will play 3 group matches against teams within their group.
 From the group stages teams will score points which will then decide their rankings for the knock out stages.
- In the league stages, points will be awarded, as follows: 3 points for a win, 1 point for a draw.
- Every team will progress through to the knock out rounds. The top 4 teams will progress straight through to the Quarter finals whereas the teams ranked 5th – 12th will be required to play a qualifying match to progress through.
- The positions in the group will first be

decided on the total points accumulated during group fixtures. Where teams are tied on points at the end of the group stage, then positions will be decided on the following criteria (in order) until the teams can be separated: • The team with the greatest goal difference • The team that scored the most goals • The head-to-head result between the teams

- The event officials reserve the right to make these scheduling adjustments to ensure teams have a variety of opponents and to avoid teams having to play multiple fixtures against each other.
- In the knock-out competition, if at the end of normal time the score remains level, the game will be decided by the taking of penalty kicks. Three players will be nominated to take penalties from the players that were on the field of play at the end of normal time. If it is still not decisive, it will go to sudden death.
