

RISK ASSESSMENT – TUFFLEY ROVERS AFC/RETURN TO COMPETITIVE TRAINING/MATCHES

Covid-19 Officer: Dan Boon, Football Chairman for Tuffley Rovers AFC

Date of Completion: 7 August 2020

Review Date: Subject to regular review to take account of ages in Government and/or FA guidance

Last review: 24 August 2020

When completing this document please be mindful of the following guidance from the Government (latest update 17 July 2020):

<https://www.gov.uk/government/publications/coronavirus-covid-19-guidance-on-phased-return-of-sport-and-recreation/guidance-for-providers-of-outdoor-facilities-on-the-phased-return-of-sport-and-recreation>

Further, the latest update from the FA regarding the resumption of grassroots football on 18 July 2020:

<http://www.thefa.com/news/2020/jul/17/grassroots-guidance-for-competitive-football-restart-in-england-170720>

A summary of key points to consider from our guidelines are listed for ease below:

- ✦ Everyone should self-assess for COVID-19 symptoms before every training session or match. If you are symptomatic or living in a household with possible or actual COVID-19 infection you must not participate or attend;
- ✦ Clubs and facility providers should ensure that their facility is compliant with current Government legislation and guidance related to COVID-19;
- ✦ Competitive training is now permitted, with groups limited to a maximum of 30 people, including coaches;
- ✦ Competitive match play is permitted, with social distancing in place before and after the match, and in any breaks in play;
- ✦ Participants and officials should sanitise hands before and after a game as well as scheduled breaks throughout a game or training session;
- ✦ Ball handling should be kept to a minimum with most contact via a boot and the ball disinfected in breaks of play;
- ✦ Youth football coaches are encouraged to limit persistent close proximity of participants during match play and training;
- ✦ Goal celebrations should be avoided;
- ✦ Equipment should not be shared, and goalkeepers should ensure they disinfect their gloves regularly in breaks in training or matches and thoroughly afterwards. Where possible, coaches should only handle equipment in training;
- ✦ Where possible, Participants, coaches and officials should arrive changed and shower at home. Use of changing and shower facilities must follow government advice on the use of indoor facilities;
- ✦ Participants should follow best practice for travel including minimising use of public transport and walking or cycling if possible. People from a household or support bubble can travel together in a vehicle
- ✦ Clubs should keep a record of attendees at a match or training session, including contact details, to support NHS Test and Trace; ▪ Clubs should ensure they are affiliated with their County Football Association.

Grassroots Football Open Age Football

Individual managers and coaches need to obtain risk assessments from the venues that they use to ensure they are aware of the procedures and processes for those venues but also the venue's Emergency Action Plan etc.

Club Policies and Procedures being followed	Yes	No
Code of Conduct, including unacceptable behaviour	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Equality, Diversity and Inclusion	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Social Media	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Insurance Cover	Yes	No
Personal Accident (mandatory Bluefin Sports)	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Public Liability	<input checked="" type="checkbox"/>	<input type="checkbox"/>

RISK ASSESSMENT MATRIX

Risk ratings:

- *Red (serious issues and risk/interventions needed immediately)*
- *Amber (some issues/being managed/needs monitoring)*
- *Green (on track)*

What are the hazards?	Who might be harmed?	RAG Rating before control measures imposed	Existing control measures to allow for football related activity to take place	Planned, additional control measures if required	Who is responsible for enacting these measures	When will they be completed by?	RAG Rating after control measures imposed
Safeguarding/Consent

What are the hazards?	Who might be harmed?	RAG Rating before control measures imposed	Existing control measures to allow for football related activity to take place	Planned, additional control measures if required	Who is responsible for enacting these measures	When will they be completed by?	RAG Rating after control measures imposed
Transmission of COVID-19 from touching equipment	All Participants could contract COVID-19		<p>Equipment used during the session will be minimal to avoid transmission. Any cones or other equipment used will be set out and collected in by the coach removing the need for Participants to touch equipment with their hands.</p> <p>All equipment used will be wiped down with disinfectant before and after the training session/match and in breaks (when required) – this includes goalposts and corner flags poles in matches. Club to provide every Team with cleaning sanitiser and hand sanitiser for use by coaches.</p> <p>Participants and coach should avoid where practical, picking up the ball. Non-participants should refrain from picking up the ball. When throw-ins are to be taken the ball must be sanitised prior to being thrown in.</p> <p>If goalkeeping practice or matches are undertaken, the goalkeeper must wear goalkeeper gloves when handling the ball and these should be sanitised before and after sessions/matches, and during breaks.</p> <p>Payments should be made cashless (e.g. payment to referee).</p>	<p>Coach will remind all Participants of the need to avoid touching/picking up the ball. Any persistent instances of touching the ball the player(s) will be told to sit out of training/matches and parents asked to take home and ensure full understanding.</p> <p>Keep up to date with Government and FA Guidance.</p>	Coach	During all Football Related Activity Sessions (e.g. training, matches)

RAG Rating after control measures imposed
(Cont)			<p>Their fellow household members should self-isolate for 14 days.</p> <p>Where a player or coach tests negative, they can return to training and the fellow household members can end their self-isolation.</p> <p>Where a player or coach tests positive and social distancing has not been adhered to so that there has been contact (within 2metres for 15mins or more), the rest of the team will be advised to self-isolate for 14 days. The other household members of the Participants do not need to self-isolate unless they develop symptoms</p>				
Transmitting or coming into contact with COVID-19 from travel	All participants could contract COVID-19		<p>Parents/carers are to be advised that Participants should not use public transport to travel to and from training.</p> <p>Participants must not share lifts unless from the same household.</p> <p>Participants must comprehensively handwash before and after training.</p>	Keep up to date with Government and FA Guidance.	Parents/Participants	Before and after all Football Related Activity Sessions (e.g. training, matches)	

What are the hazards?	Who might be harmed?	RAG Rating before control measures imposed	Existing control measures to allow for football related activity to take place	Planned, additional control measures if required	Who is responsible for enacting these measures	When will they be completed by?	RAG Rating after control measures imposed
Poor Communication means that Participants do not follow the Guidance	All participants not being aware of the guidance leading to risk of transmission of COVID-19		<p>The Club will provide all documents including this risk assessment to all managers for them to forward to their parents.</p> <p>Each Participant (parent/carer where applicable) is required to sign and submit the Club's COVID Declaration Form along with prior to each training session/match confirmation in writing (by text, email etc) to the Manager they still adhere to it and can answer "Check Negative" to all the questions on the Self-Screen Checklist.</p> <p>Event Participant will sign up to the Player Code of Behaviour document.</p>	Should it be required virtual online training will be made available.	Coach Parents/Participants	During all Football Related Activity Sessions (e.g. training, matches)	
Health & Safety/First Aid							
Transmitting or coming into contact with COVID-19 when administering first aid	All Participants		<p>Club to provide all Teams with additional PPE where requested (e.g. goggles, aprons, masks, CPR face shields).</p> <p>First aid is to be administered by the Participant or Parent/Carer in first instance with supervision by coach remaining 2m (1m+) unless situation is life-threatening or limb-threatening.</p>	Coaches will make dynamic risk assessments if there are any injuries weighing up the risk of harm if untreated with the risk of transmitting COVID-19.	Coach Parents/Participants	During all Football Related Activity Sessions (e.g. training, matches)	

What are the hazards?	Who might be harmed?	RAG Rating before control measures imposed	Existing control measures to allow for football related activity to take place	Planned, additional control measures if required	Who is responsible for enacting these measures	When will they be completed by?	RAG Rating after control measures imposed
Emergency Evacuation Procedures	All Participants		<p>Coach to ensure they are aware of the Emergency Action Plan of any venue they hire.</p> <p>Coach will make dynamic risk assessments when attending a venue to ascertain best evacuation protocol etc when using a public area.</p>		Coach	Before and During all Football Related Activity Sessions (e.g. training, matches)	
Miscellaneous							
Site Boundaries e.g. Public Access, Roads, Location of Facilities, Drop-off points and access to pitches and training areas	All Participants (additional risk in particular to youth players or players with impairment)		Coach to dynamic risk assess but also find out the venue's process and procedures in respect of entering, exiting, if there is a one-way system etc.	Keep up to date with Government and FA Guidance together with Venue's Risk Assessments and Procedures.	Coach	Before and During all Football Related Activity Sessions (e.g. training, matches)	
Access to toilets/changing areas e.g. supervision, handwashing and/or rub washing facilities	All Participants (additional risk in particular to youth players or players with impairment)		Coach to find out from venue if there is any access to toilets, changing rooms etc and any procedures that need to be followed to use them.	Keep up to date with Government and FA Guidance together with Venue's Risk Assessments and Procedures.	Coach	Before and During all Football Related Activity Sessions (e.g. training, matches)
