# EDITOR'S COMMENT

Welcome to this afternoon's game against Hallen FC. I would like to extend a warm welcome to everyone in attendance who has travelled from South Gloucestershire.

I think it goes without saying that we've started to turn a corner but there is also plenty more to be done in the remaining weeks of the season if we are to secure our Premier Division place for 2022/23.

Today's visitors have also endured a challenging campaign and face a mountain if they are to save themselves from finishing in one of the two relegation places. We haven't yet played Hallen this season (which seems an odd thing to say when we are down to our last eight league games!) so I don't know exactly what to expect, but I've heard that their position and low points total is not a reflection of their capability. Their two league wins have come against Brimscombe & Thrupp and Lydney Town, sides who have comfortably beaten us this season. The message is "take nothing for granted"!

Like us, Hallen will see today's game as an opportunity to improve their fortunes and to ignite the remainder of their season. Like us, they will have a genuine belief that they can take something from the game. Like us, they will know that a defeat will create uncertainty, sap confidence and leave the relegation trap-door in view. The advantage for us is that a win will almost certainly create an irretrievable gap between the two sides and that should be our incentive to build on recent good form.

Whichever side triumphs today, or whether the points are shared, I hope we see a good game, with plenty of positive football and played in the right spirit. We've had some good crowds recently and the atmosphere has been terrific. Long may that continue.

Thank you to everyone who has supported the fixture this afternoon. I wish you a safe journey home.

# CHAIRMAN'S COMMENT

Good afternoon all and a warm welcome to Glevum Park.

I would like to start by welcoming our opposition players, management, committee and supporters from Hallen.

There is absolutely no doubt how important this game is today for both teams and gaining any points is crucial for both clubs. The results across the season have thrown up some real surprises, as unpredictable I can remember, with teams winning games and losing games when you would have thought you would guarantee to be able to pick the result.

The last two games for us, against Bishops Cleeve where we salvaged a deserved point in the last five minutes of the game from 2-0 down, then last week against Hereford Lads Club, where I personally thought we were by far the better team, has certainly lifted the squad, the management, committee and our supporters finally. We now hope that this form continues until the end of the season.

A huge "thank you" to our match day sponsor today, JMJ Fabrications, who have been a loyal sponsor and supporter of the club for a number of years now.

I hope you all enjoy today's game, I'm sure it is going to be a battle.

Cheers,

- Dan

# MANAGER'S COMMENT

Good afternoon all. I would like to welcome all players staff and officials of Hallen FC to Glevum Park.

Today's opponents will provide us with another tough afternoon, although we probably go into this game as slight favourites, which is a first since I took over!

Since I joined, although there were games we hoped to pick up points from, we have only played teams above our current league position. Today we play one of those teams below us.

Let's not be fooled by Hallen's league position; they are not a team that has got the points they possibly deserve and since I've been involved her, the games they have been involved in seem to be generally close encounters,

I am expecting them to be determined, dogged and organised. They tend to stay in the game for long periods so we will need to be fully focused and make sure we are on our 'A' game.

On that, we are coming off back to back results, which I think is a first for the squad since October and four valuable points in the last week have made a big difference. Today we are hoping to go one better and extend that run and give ourselves a larger cushion from the bottom two.

Confidence has picked up and we are looking forward to the game having scored 10 in our last 6 home games. We still need this elusive clean sheet and as a unit we must improve to make that happen. Hopefully we can start with today's game.

Thanks for all your support. I hope you can enjoy the game.

## Tuffley Rovers • Club History

The late Donald E Hall founded Tuffley Rovers FC in 1929. The Club's Headquarters were in a former railway carriage, which served as Mr Hall's Boot and Shoe repair shop on the Stroud Road at Tuffley in the City Of Gloucester. The Club started its playing life in the North Gloucestershire League. Senior XI Championship honours include that of the North Gloucestershire League and Stroud and District League (4 times) and in 1987/1988 the Club were Champions of the Gloucestershire Northern Senior League and gained promotion to the Gloucestershire County League.

After two seasons of consolidation the Club won the County League Title in 1990/1991, their application to join the Hellenic League was successful and they were accepted into Hellenic Division One. Progress continued as in the 1992/1993 season Rovers were Champions of Division One and also Division One League Cup Winners and after promotion competed in the Premier Division of the Hellenic League from 1993/1994, regularly finishing in the top half of the table. The 1998/1999 season saw Tuffley win the Norman Matthew's Floodlit Cup defeating Carterton Town in the final. Whilst the Club enjoyed this success, the 2nd XI and 3rd XI also gained promotion and championship honours. The 1998/1999 season saw the 2nd XI win the Northern Senior League and reach the finals of both the County Cup and League Cup, unfortunately losing out on both occasions. Promotion, however, was not possible as reserve teams were not allowed at that point to enter the Gloucestershire County League and progress further up the pyramid system.

The Club continued to thrive in the Hellenic League and managed to win the Floodlit Cup again in the 2002/2003 season defeating Brackley Town over two legs in the final. However, the ever changing ground grading requirements, if the club was to remain in the Hellenic League, and the financial strain these improvements imposed on the Club forced Tuffley Rovers to make the decision to withdraw from the Hellenic League in 2005 and settle for local football in Gloucestershire.

After a difficult start Rovers were crowned champions of Division 2 of the Northern Senior League in the 2005/2006 season and were promoted to Division 1. After a slow start the team put together a consistent run and managed to claim the Division 1 Title as well as win the GFA Senior Amateur Cup and reach the final of the Reg Davis Memorial League Cup.

A return to the Gloucestershire County League followed and the club finished a very creditable 4th place (2007/8) but the summer of 2008 saw a number of senior players retire. The next season, a much younger side finished a slightly disappointing 11th but with a year's experience gained the Rovers challenged again at the top of the table for most of the next season before finishing 3rd.

The 2010/11 season saw some variable performances in the league, with a final finishing position of 6th, followed by a third place finish in 2011/12. The 2012/13 Season marked an improvement for the club. After challenging for league championship honours all season, the club couldn't quite maintain the form to secure the title, finishing second. However, this was enough to gain promotion to the Hellenic League Division One (West) for the 2013/14 season.

On their return to the Hellenic League, The Rovers saw a season that witnessed some turmoil – including the departure of manager, Doug Foxwell – to record a decent sixth place finish and some good cup results.

This was followed up with the Runners'-up spot in 2014/15 and promotion back to the Hellenic Premier Division, exactly ten years after they had withdrawn from the League.

**UHLSPORT HELLENIC LEAGUE, PREMIER DIVISION  
TUFFLEY ROVERS 3-1 HEREFORD LADS CLUB  
SATURDAY, 29 JANUARY 2022**

The Gloucester club's hopes of moving away from serious trouble at the wrong end of the table had been boosted by taking four points out of six from Shrivenham and Bishops Cleeve in their previous two home league fixtures, but the Lads Club arrived in Tuffley with fourteen more points than their hosts from the same number of matches. Added to this, the Hereford club had the memory of inflicting Rovers' worst defeat of the season by winning 9-1 at their own ground back in October.

The visitors had adapted well to life in the Hellenic League's top division but, interestingly, had yet to draw an away game having five wins and eight defeats from their thirteen matches on the road so far. Rovers had lost nine out of fourteen at their Glevum Park home and could not really afford to let the number of home defeats reach double figures because they knew that they could still be caught by the division's bottom two clubs, Calne Town and Hallen.

Rovers avenged the calamitous afternoon they had endured at Hereford in October but on a cold and blustery afternoon in Gloucester there was never any chance of a repeat of the goal-fest of the Autumn. Tuffley won only their 4<sup>th</sup> home league match of the season but it was enough to lift them into 16<sup>th</sup> place above the Towns of both Lydney and Chipping Sodbury. By contrast, the Hereford Lads continued their odd statistic of not having drawn an away match in the League this season, this being their ninth away defeat to go with their five victories.

The hosts kicked off playing towards the open end and that seemed to be a good tactic because home goalkeeper Jack Copland was able to get enormous distance on his goal-kicks and clearances. So, most of the early action was in the Hereford half and this included a yellow card for a Hereford defender for a horrible lunge on Harvey Greenslade as Rovers' number nine made progress down the left channel. When Sammie Hicks drove the resulting free-kick into a dangerous area visiting 'keeper Steve Bell had to be alert to palm the ball out of danger.

Near the quarter-hour mark referee Simeon Stoodley fell over near the centre-circle with no player near him and really ought to have had a word with himself about 'simulation'! Ten minutes later James Cuthbertson and Henry Dyde exchanged passes as they attacked Rovers' right-hand side and this resulted in a close-range header by Tom Dawson which Copland grabbed confidently.

With 25 minutes gone Luke Wright cut in from the right and tried a left-footed shot which saw Bell scramble across his goal-line to clutch the ball by a post. Despite these moments, chances at both ends were few and far between in an opening half which

could be described as uncompromising. With half-time approaching the Lads won a free-kick on the left and when Adam Newbury swung the ball across to the far post Copland tipped it away for Hereford's first corner of the match. Dyde's corner was blocked only for Levi Ellis to blast the loose ball high over the crossbar.

Whatever was said by both coaches during the interval made an immediate difference. Joshua Aldridge replaced Sammie Hicks at the start of the second half and, just as in the first half, Rovers had the better of the early exchanges. There was certainly more bite in the tackling and Ashley Davies was carded for fouling Ellis.

Finally, the breakthrough came in the 56<sup>th</sup> minute. Rovers won a corner on the left which Aldridge swung over to the far post and when the ball was headed back across goal by Joel White, Tuffley skipper Jacob Geddes had a simple downward header from close in to give his team the lead.

This was quickly followed by a Davies shot which went wide before Hereford brought on Glenn Segust for Will Loughman.

It is said that a team is never more vulnerable than when it has just scored. To confirm that, the Lads drew level with a sensational goal as Olly Price cut in from the left and hit a screamer into the far corner.

A few weeks ago some Rovers' heads might have dropped at conceding a goal like that but not now. As the second half reached its midway point, a clear foul in the box by the visiting goalkeeper on Ashley Bird saw a penalty awarded, for which Warren Mann took responsibility and he blasted

the spot-kick fiercely to Bell's right with the goalkeeper diving the other way.

Hereford brought on Florian Stanescu for Ellis and Rovers responded by replacing Bird with Basford and, in the closing minutes, Kent with Smith.

A home win was sealed when a low shot from Greenslade was parried away by a falling Bell and Shutt, following up, had an easy tap-in to give Rovers a two-goal cushion which they held on to fairly comfortably as the clock ticked down the final minutes.

Rovers thought they had made it 4-1 but Dominik Kent's tap-in was disallowed for a foul on Bell by Ashley Davies as Joe Shutt's crisp cross came in from the left touchline.

As the final whistle blew you could hear the screams of delight from the home players. They knew how important these points were. The Lads from Hereford were a big and strong team all over the pitch and although the first half was not pretty, and even they lost a lot of battles in the second half, Rovers' neat passing and good positional play was a far cry from that shown during the dreadful eight-match losing run at home between the end of October and the middle of January.

# On (or around) this day in history...

Current records date back, fairly accurately, to the 2007/08 season and although there are a few gaps stopping us having a full set of data, it gives us the opportunity to include a new programme feature that allows us to reflect on days gone by and fixtures on, or around, today's date.

Since those records began, we've not had too any games on 5 February but there are a few notable games that have been played around this particular date...

## 5 February 2011

A 78<sup>th</sup> minute goal from Adam Bates was enough to ear AXA all three Gloucestershire County League points against Tuffley Rovers. When Liam Harding slipped whilst in possession Bates raced clear and although Rovers' keeper Adam Bennett made a good stop, the AXA man followed up to fire the ball home.

**Squad:** Adam Bennett; Marcus Foxwell; Lee Wallington; Richard Workman; Richard James; Jon Corbett; Liam Harding; Mark Wallington; Kyle Kennedy; Mark Ford; Warren Mann. **Subs used:** Ben Surman; Scott Jones.

## 7 February 2015

A stunning Shayne Bradley volley proved the difference between Tuffley Rovers and fellow Gloucestershire side Fairford Town, as Warren Evans' side secured a valuable three points with a 1-0 victory a Cinder Lane. Bradley, who was returning to the side after a knee injury, appeared from the bench with 20 minutes remaining and his sensational 89<sup>th</sup> minute effort, after Warren Mann had headed Kieran Squires' long throw into his path, was enough to snatch the points!

*Bradley (obscured) fires home the last minute winner*

**Squad:** Aaron Taylor; Marcus Foxwell; Kieran Squires; Ashley Davies; Sam Drew; Courtney Hamilton; Jordan Dowdeswell; Warren Mann; Jordan Fletcher; Mark Ford; Brett James. **Subs used:** Stuart Griffith; Shayne Bradley.

## 4 February 2020

Tuffley Rovers advanced in the Banbury Litho Floodlit Cup as they gained a little revenge for their humiliating FA Vase defeat against the same opposition earlier in the season, running out 3-0 winners over Shortwood United in a cup tie played at Glevum Park. Cheltenham Town scholar Callum Ebanks opened the scoring before Warren netted from the penalty spot, after Ebanks had been pulled down, and then Jake Rhodes added a third to ensure Mark Pritchett's side eased into the next round of the competition.

**Squad:** Luke Merchant; Isaac Lawrence; Ben Pricor; Mark Pritchett; Maccaulay Herbert; Jake Rhodes; Jack Beardsell; Harri John; Warren Mann; Callum Ebanks; Dominik Kent. **Subs used:** Adam Bloomfield; Antoine Thompson; Joe Shutt.

## TUFFLEY ROVERS AFC

### Jack Copland

### Goalkeeper

A hugely talented young goalkeeper who was a mainstay of the club's U18 campaign in the 2020/21 FA Youth Cup. Terrific handling and shot stopping ability is equally matched by his excellent distribution, from the hand or with the ball at his feet. 2021/22 is his breakthrough season and so far it is going well, as he is now undoubtedly first choice between the sticks!

### Will Ramsey

### Defence

Signed from Cheltenham Town, where he was previously a scholar, until the end of the season. Consistent and hard-working, Rambo has been a great addition to the squad. Good going forward, too, and capable of lending his support to the attacking play.

### Liam Wright

### Defence

Returned to the club recently, after spells away at Bishops Cleeve and then Cinderford Town. Capable of playing in midfield or in the back four, Liam is now seen as an energetic part of our squad. A ball player but incredibly hard-working and other with a powerful shot from distance.

### Jacob Geddes

### Defence

A rising star for Rovers, after joining the club in 2020. Immediately held down a regular place in the first team, aged just 16 years of age, showing a maturity beyond his years. Joined after leaving Cheltenham Town and is a tough, uncompromising defender, but also good in possession. A natural leader; now captain in Macaulay Herbert's absence.

### Joel White

### Defence

Rejoined the club from Frampton United, having spent a couple of seasons with Slimbridge, in the Southern League. A commanding presence and hugely influential in our young squad. Calm on the ball, fantastic in defence; one of the leaders we need to support the development of our squad amidst some of the challenges during this campaign.

### Laurie McNally

### Defence

Another product of the club's successful Under 18s side and another player of whom much is expected this season. Competent in either full-back position and also capable of playing at centre-half, Laurie is one of the most natural defenders at the club, but also extremely capable on the ball. Previously at Forest Green Rovers Academy.

## 2021/22 PLAYER PROFILES

### Lewis Bainbridge

### Midfield

Joined the club at the start of the 2019/20 season and now entering his 3rd season as a Rovers player. A former Gloucester City youngster who joined as a really promising wide player but now amongst our most versatile players and being deployed to fill any gap in the line-up. Abundant energy and dangerous in an attacking position, also weighing in with some important goals.

### Sam Mendes

### Midfield

Former Slimbridge player, who graduated from Cheltenham Town as a youngster. Very gifted and capable of drifting past opponents, creating chances and weighing in with. Joined in 2021, after a spell at County League side Hardwicke and already looking a key player for the team. An enigmatic talent.

### Ashley Davies

### Midfield

Returns to the club for a third spell, having previously been the Club Captain at Cinderford Town. Neil Mustoe's first signing and an incredibly coup. Brings class, leadership and a wonderful work ethic to the squad and his influence will be of huge value to the club.

### Dom Kent

### Midfield

A product of the Gloucester City U18 squad, Dom is now amongst our longest serving players and a fixture in the squad. A talented midfielder, who is good on the ball, industrious and quick, but also incredibly tenacious, whether looking to retain possession or win the ball back. Ended 2019/20 as Players' Player and Manager's Player.

### Warren Mann

### Midfield

By far our longest serving player and entering his nineteenth season in the first team squad, 'Wazza' might lack some of his former pace, but is hugely committed and massively experienced asset, bringing passion and excellent technique; he's constantly involved in every game. Practical joker on and off the field - usually the opposition support's least favourite player!

### Jack Beardsell

### Midfield

Re-signed in October on a transfer from Fairford Town, having previously played for the club 33 times, scoring 8 goals. A mercurial talent who is capable of producing some high quality goals. Needs to add consistency to his game and we're hoping that is second spell with the club is the time that he realises his full potential.

## TUFFLEY ROVERS AFC

## 2021/22 PLAYER PROFILES

### Demilade Yussuf

#### Midfield

Just sixteen years old but captain of our U18s squad and already collecting regular first team appearances. Strong, calm on the ball and incredibly hard-working, Demi was previously at Cheltenham Town and is a real talent. One to watch in future years.

### Harry Morgan

#### Midfield

'Spanish Harry' is another player who joined the club whilst at Hartpury Uni but is staying at the club after completing his studies. Joined late in the active season (2020/21). Tidy on the ball and industrious off it, on his day a pivotal figure in the squad.

### Joshua Aldridge

#### Midfield

Signed on a Work Experience arrangement from Cheltenham Town, Josh has previously had trials with Tottenham Hotspur and it is evident that he is incredibly talented. Comfortable on the ball and fast becoming a key member of the Rovers squad.

### Sammie Hicks

#### Midfield

Signed mid-February to bolster the squad following Neil Mustoe's appointment as manager, on a dual registration agreement with Cinderford Town. A super talented midfielder, now with experience at a higher level and just what we needed after a difficult season. Coming back from a series of injuries that have hampered his progress but a stellar signing, nonetheless.

### Liam Smith

#### Midfield

Another player with Southern League experience. Calm in possession and possesses a good passing range, whilst also physically strong, will be looking to hold down a regular place in the side, after missing the start of the season. Offers experience and capable of dropping into the back four when needed.

### Lucas Price

#### Forward

An excellent summer signing from Bishops Cleeve, Lucas is lightning fast, energetic and has an eye for goal. Impressed in pre-season with his ability to quickly turn defence into attack and is as industrious, as likely to make a recovering challenge

as he is to conjure a shot on goal.

### Harvey Greenslade

#### Forward

Initially signed on a six week Work Experience arrangement from Bristol Rovers and began his spell in style, with two goals on debut, including a first minute opener. Pacy, industrious, committed and a fantastic addition to the squad on the early evidence.

### Aaron Basford

#### Forward

Another addition to the 2021/22 squad, 'Bash' has been with Step 4 side Evesham United in recent seasons but was lured to the club in the summer. A hard-working, hugely talented youngster – formerly with Cheltenham Town – who has a good goalscoring record.

### Ashley Bird

#### Forward

Another returning player, who struggled to secure a regular starting berth under Mark Pritchett and eventually left the club. Signed by Rich Cox but didn't return to the side until his former mentor, Neil Mustoe, took the reins. His industry, strength and running power will set the mark for others to follow. Great to have him back.

### Jamal Lawrence

#### Forward

A former professional with Cheltenham Town, who briefly played in the Football League, before spells at National League side's Hungerford Town and Gloucester City. Returned to play for Rovers after two years away from the game and will be looking to add both goals and intelligent link-up play to our young squad.

### Joe Shutt

#### Forward

Small in stature but capable of making a big impact, 'Shutty' joined from Chipping Sodbury Town in 2019 and has become a firm favourite with the Rovers support. Quick, skillful, full of energy and hard-working, he has already contributed goals on a regular basis and has attracted attention from higher league clubs.

### Neil Mustoe

#### Manager

Recently appointed as interim first team manager, following Rich Cox's resignation. Spent many years as a professional at Manchester United, Wigan Athletic, Cambridge United, Stevenage and Yeovil Town, before over 350 appearances for Gloucester City.

Previous coaching experience with City before a spell away from the game until his appointment with The Rovers.

## Up to and including Saturday, 29 January 2022

Will we have our 17th player to reach 100 competitive first team appearances in the period since we returned to Step 7 of the NLS in 2007/08 today? If Joel 'Digger' White is involved today he will join that sixteen players who have previously reached that landmark appearance since we rejoined the Gloucestershire County League after our withdrawal from the Hellenic League in 2005/06. He will be the fifth member of our current squad (those involved, rather than simply registered to play) to do so, after Warren Mann, Macaulay Herbert, Ashley Davies, Dominik Kent and Liam Wright.

Digger first appeared back on 29 March 2017 when he was selected in midfield against Brackley Town Saints, in a 4-1 away defeat after a long midweek journey. He picked up a caution on what was to be his only appearance that season, but he then made 86 appearances across the next two seasons, before a move to Southern League side Slimbridge, although he returned briefly in 2019 to make a single appearance against Flackwell Heath. Eleven appearances already this season have brought us to this landmark occasion....

## Previously against today's opposition at Glevum Park

It has been a very long time since we met today's visitors in a league fixture and while since we hosted them at all in a fixture at Glevum Park. The last meeting was on 17 October 2017, in a GFA Challenge Trophy tie that didn't really go to plan...

### **MATCH REPORT – 17 OCTOBER 2017** **GFA CHALLENGE TROPHY, ROUND TWO** **TUFFLEY ROVERS 0-4 HALLEN**

After a performance which Rovers' manager, Mark Pritchett, described as the worst during his time in charge of the Glevum Park club, Tuffley Rovers were ceremoniously dumped out of this year's GFA Challenge Trophy, as Western League Premier Division side Hallen returned to Bristol with a 4-0 victory.

With nine defeats in their last twelve fixtures, and only one victory during that time, Rovers had looked short of confidence coming into the cup tie and although they had secured a very welcome league point at Abingdon United on Saturday, a worrying trend is emerging, with few chances created, despite a decent share of possession.

Pritchett was without a number of players for the visit of Hallen, including keeper Dave Evans who is a long-term absentee, and with usual deputy Kane Winman unable to play due to work commitments, in addition to Buster Davies' registration not being completed on time, the Rovers boss handed a competitive first team debut to third team keeper Robin Stamps.

After exiting the competition at this stage 12 months earlier, Pritchett had indicated his desire to make progress and enjoy a cup run in 2017/18, but he still made several changes to his line-up, as Sam Hill, Shayne Bradley, Chris Manners and fit again Tristan Haswell all returned to the starting line-up to face Hallen. Warren Mann, Danny Wallington and another regular starter, Marcus Foxwell, were all on the bench.

Despite the numerous changes to their line-up, Rovers started the tie on the front-foot and looked anything but a side whose confidence has ebbed after a run of poor results. Although they didn't seriously test Hallen's keeper, Jake Hanham, in the opening quarter of an hour, they looked in control and unlikely to be greatly troubled by the visiting team.

Kieran Alder, recently signed from Bishops Cleeve, went close to opening his scoring account for the club, on sixteen minutes, when he latched onto a pass from Bradley and found himself beyond the Hallen defensive line, but his delicate chip over the onrushing Hanham drifted narrowly wide of the far post. Seconds later, Manners managed to turn goalwards, but his shot from 12 yards lacked power and was comfortably saved.

---

Despite having their tails up, Rovers inability to convert territorial advantage seemed to affect their defensive stability and they were fortunate not to fall behind, on 30 minutes, when Aaron Anglin completely missed his kick, with the goal at his mercy and Luke Mills then blasted the loose ball over the bar, from just seven yards out.

Pritchett might have hoped that near escape would spur his side on, but the fragility it appeared to expose took root and when the ball fell to Jack Mills, he fired the ball viciously back across the goal and into the net, before Stamps had a chance to react, to give Hallen a one-goal lead, on 36 minutes.

An almost immediate opportunity to level the scores was spurned, less than two minutes later, as Joel White's cross was met by Brett James, but the Rovers wide-man could only head the ball wide, as he looked set to score.

The half-time interval didn't appear to interrupt Rovers' flow and Shayne Anson had an effort cleared off the line, from an Alder cross, almost straight after the restart, before Scott Cousins went down the other end and rattled the frame of Stamps' goal with a strike from 25 yards.

That close call didn't act as a sufficient warning for Pritchett's men and they fell further behind on 51 minutes, as Cousins rose to head home Jack Mills' cross.

Wallington and then Mann were then introduced to the action, replacing James and Manners, respectively, but the addition of two regular starters wasn't enough to save Rovers, as Hallen took a huge step toward securing a place in the 3<sup>rd</sup> round of the competition, when Santiago Escliano struck a shot that took a huge deflection off Shayne Anson, leaving Stamps helpless as the ball spun into the opposite side of his goal, to make it 3-0.

Stamps had been given little opportunity to keep Hallen at bay, but when he was called upon, after 71 minutes, he produced a good diving save to beat away Liam Henderson's shot.

When Anson saw a straight red card for the hosts, for a crude, mistimed challenge on Jack Mills, the game looked over, although both Mann and White managed to get shots on goal, before Wright's effort cannoned back off the Hallen bar, only for substitute Kye Mountford to net a late effort and make it 4-0 to Hallen, securing a place in the next round of the competition and leaving Pritchett with plenty to reflect upon, after his side's ninth defeat in their last thirteen games.

## Hallen Club History

The club was formed by members of a new community living at Lawrence Weston on the outskirts of Bristol, which had been developed shortly after World War Two. The club was named Lawrence Weston Athletic and played in the Bristol & District League, and it has moved forward steadily since moving to the village of Hallen in 1979, to conform with League Ground grading. Much of the credit for the progress of this club can be accredited to the late Frank Fairman and his family. His son Francis, and grandson Lee continue the link with the club. In fact Lee played a major part in our fight for survival during the summer of 2015, when the club was in danger of losing its home. So it was no surprise when long serving Chairman Barrie Phillips nominated Lee to take over the chair from himself, at the next AGM. The club became known as Lawrence Weston Hallen when it moved to Moorhouse Lane, joining the Gloucestershire County League in 1982, and under that title were runners up 1987-88, and Champions 1988-89, after which the club dropped Lawrence Weston from its title to become known as simply Hallen. The club completed the double in 1992-93, when winning the Gloucestershire Challenge Trophy and the League title. Promotion was achieved, joining the Hellenic League Division One, and after further improvements to the facilities (particularly the erection of floodlights and a 200-seater stand), a runner-up position in 1996-97 led to another step up, to the Hellenic League Premier Division. The club had always considered the Western League as its goal, as this League was more familiar with Bristolians than the Hellenic League. Their wish to transfer over was granted at the second time of asking but it was insisted that the club join the First Division for season 2000-01. The club finished fourth in its first season in the Western League and reached the last sixteen of the F.A. Vase losing to Brigg Town 6-5 in extra time. Further progress was made when new manager Gary Damone led the team to the Division One title in Season 2003-4, and fourth place in the Premier Division at the first attempt. The club also reached the final of the GFA Trophy and were denied a place in the first round of the F.A. Cup when losing to Nationwide Conference side Canvey Island in the fourth and final qualifying round. This success saw Southern League side Taunton Town tempt Gary Damone to try his hand at a higher level, which in turn saw Hallen have a dip in form, as players were also tempted away. It is however well known that a high percentage of players are happy to return to Hallen, and for season 2009-10 the club welcomed back Gary Damone as manager and many former players too. The club finished in a disappointing twelfth position in 2009-10, but a crop of long term injuries did not help. The club however were to lift the Western League (Les Phillips) Cup for the first time. The club had experienced a bad start to the 2010-11 season, which saw the departure of manager Gary Damone who chose to take charge of his own town club Wellington. Club stalwart Paul Owen was given the task of steering the team to safety. With just one win prior to taking over in November, he and his assistant John Tierney changed fortunes around and we were safe from relegation with six games left. Paul Owen's first full season as manager saw the club challenging for the title, but a dip in form saw the club slip to fourth. Off the field, the club had ensured promotion would not be denied, had the club won the title by obtaining the ground grading for Southern League football.

Season 2012-13 saw no repeat of a challenge for promotion, but the season was kept alive by reaching the final of the Les Phillips League Cup for a second time. In the final Willand Rovers won 1-0 before a crowd of 400 at Cribbs Friends Life FC. As Paul Owen had already decided to step down at the end of the campaign, it was unfortunate that he could not see his side lift the cup. By mid May the club announced that Hengrove Athletic manager Jamie Hillman was to take over as manager, He had been at the helm for eight years at Hengrove, and had just guided them to the Premier Division as runners up in April. The 2013-14 season under Jamie and his assistant Grantley Dicks, was a mixture of highs and lows. The highs being success in lifting the GFA Trophy for a third time and reaching the fifth round of the FA Vase losing away to West Auckland Town. In contrast we finished the League campaign without a win in fifteen games.

Manager Jamie Hillman announced that he would be leaving, and previous manager Paul Owen agreed to return for the 2014-15 season. By November the League form was yet again cause for concern and Paul decided it would be best to bring in a new face, rather than wait to the end of the season. Steve Winter a former Walsall and Torquay player was appointed with a view, of him settling in, prior to the coming season. He was to resign in December 2015, and long serving player Tom Collett took on the role as player manager assisted by Rayan Wilson for the 2016-17 season. Following another poor run of results, Tom Collett made way for former player Ben Willshire to return as the new manager. Ben guided the club away from relegation, but when fortunes did not change in the next campaign, it was decided his assistant Rob Sage should take over the helm prior to Christmas 2017, with Ben remaining as a player. The resignation of Rob Sage forced the club to seek another manager in February.

Former manager Gary Damone returned as interim manager, whilst the club decided on a replacement from a record number of applicants. The successful candidate being former player Ray Johnstone, who had guided Odd Down to the title in 2016. Ray recruited another former Hallen player Tony Davis as his assistant for the 2018-19 season, unfortunately Tony had to step down during the course of the season. It was a season which saw a more settled side, finishing in twelfth place the best for several years. Further progress was made during the 2019-20 season, with Ray being assisted by Dean Horseman, before it was brought to an abrupt end due to the coronavirus pandemic. Ray's departure early in the season 2020-21, saw Dean takeover as Manager in what turned out to be another pandemic disrupted season. A poor run of results at the start of this season resulted in Dean and his new Assistant Tony Beecham departing the club. We are hopeful that performances and results will improve under the new leadership of former Sheffield Wednesday player Stuart Jones and his trusty Director of Football Andy Hawkins.
